

A DAY IN THE LIFE OF 5TH GRADE

Morning Routine:

- Morning Announcements
- Prayers (Our Father, Hail Mary)
- Pledge of Allegiance
- School Mission Statement
- Morning Assignment: students work individually on an assignment that reinforces a skill or strategy that they previously learned.

Our Classroom

Students are welcomed to class with a smile as we prepare for the day with our morning routine. Our day continues with Reading and Language Arts. Students practice reading, writing, speaking, grammar and punctuation skills continuously throughout the year. Math class includes algebra, fractions, data and geometry. Before lunch children enjoy one of our Specials. Lunch is where students can enjoy time with friends. We return from lunch to Religion class. Students learn Liturgy, Sacraments and how to live our lives through Christ. We finish our day with Science and Social Studies. Social Studies includes geography, American History, Civics and Government. Science touches on the topics of Earth, Space, Physical and Life Sciences as well as Science in nature.

Specials Include:

- Spanish
- PE
- Library
- Computer Lab
- Art
- Music
