

LIBRARY/MEDIA

AFTER SERVING AS OUR SCIENCE MIDDLE SCHOOL TEACHER AND STREAM LAB COORDINATOR, MRS. NEWSTREET BRINGS HER LOVE OF READING AND SCIENCE INTO OUR SCHOOL LIBRARY. OUR STUDENTS BECOME FAMILIAR WITH A LIBRARY SETTING AND UNDERSTAND HOW TO LOCATE BOOKS FOR LEISURE AND RESEARCH. STUDENTS ENJOY LISTENING TO READ ALOUD STORIES IN OUR AMPHITHEATER, CHECKING OUT BOOKS, AND TAKING AR QUIZZES ON BOOKS THEY HAVE READ IN AN EFFORT TO REACH THEIR AR GOALS. OUR LIBRARY IS EQUIPPED WITH COMPUTERS AND IPADS SO STUDENTS HAVE ACCESS TO DIFFERENT FORMS OF DIGITAL MEDIA TO CONDUCT RESEARCH AND COMPLETE PROJECTS. OUR LIBRARY ALSO CONSISTS OF A RECORDING STUDIO WHERE STUDENTS RECORD AND BROADCAST THE MORNING ANNOUNCEMENTS AND DAILY SCHOOL NEWS EACH MORNING!
